Re: Changes to A+ Requirements
for the Class of 2021

Seniors,

At the end of October, the Missouri Department of Higher Education and Workforce Development issued updated changes to A+ requirements due to Covid-19. These changes only apply to 2021 Seniors involved in the program. In summary, if you are currently a part of the A+ Program, the following stipulations apply:

1. Students are only required to have 25 hours of tutoring/mentoring instead of the initial 50 hour requirement, and 12.5 hours can be completed through an approved job shadow. Please see Coach Page for details about job shadowing.
3. The cumulative, unrounded, and unweighted 2.5 GPA *is still in effect*.
4. The Algebra I EOC/ACT Math requirement *is still in effect*, so you will need to have scored Proficient or Advanced on the Algebra I EOC or score a 17 on the Math section of the ACT.

We do need to continue completing our files, so if you have any Tutoring/Mentoring Log Sheets, Letters of Intent, or Job Shadowing paperwork that needs to be submitted, please turn those in as soon as possible.

If you would like to read the statements issued by the State of Missouri, you can find them on the A+ page of the SMA website.

Thank you for your time, and please reach out to me if you have any additional questions.

God Bless,
Coach Page
