March 13, 2020

Dear Guardian Parents,

An official statement from the Catholic Schools Office regarding the Coronavirus Pandemic is attached to the email along with a letter from Mrs. Burns regarding Christian Service Projects. Please carefully read all communications.

Be assured that St. Michael’s is being proactive. Although it is Spring Break, we are closely monitoring the situation. This is a priority for us and we are taking the necessary steps to keep our school community safe and healthy.

- SMA Maintenance staff and our contractor, City Wide Maintenance, is cleaning and disinfecting the classrooms, large gathering areas and student touchpoints (tops of desks, drinking fountains, door handles, etc...

- Teachers have prepared two weeks of home-based lessons that will be forwarded electronically to students if there is a mandated closing of the school.

- If you travel during spring break to a high-risk area, or if you were exposed to the Coronavirus, please make the responsible decision to self-quarantine for at least 14 days and notify the school. The following website will provide an updated Travel Health Notice https://wwwnc.cdc.gov/travel/notices

- Extra-Curricular Activities will continue as currently scheduled until further notice.

Because the Coronavirus outbreak is happening during Spring Break, this allows us the opportunity to disinfect, prepare and plan for our return to school on March 23rd. We understand that this is an evolving situation and will update you if plans change.

God’s Peace,
Mrs. Jodi Briggs
Principal
