- Register with **Student’s SMA email address** and create a password

5. Complete initial COVID screen as soon as possible.

- For technical questions contact Tyler Triggs: ttriggs@smacatholi.org
- Additional questions please contact the SMA administrative team

FAQ's

- **When will this be due each day?**

This testing window that will be open on school days will be 5:30am-8am. This will be due each day the student attends school or an SMA activity on or off school grounds.

- **How do I sign-in to access the screen daily?**

To complete the screen each day you will open the SWAY app and use the email and password you set up as your login credentials.

- **Do parents make their own profile to record these screens?**

No, parents do not make their own account to login. They will access the student account to record the daily screen.

- **Can I use a different email address than my students?**

Yes, as long as the personal information is that of the students that is fine.

- **Can I access the students SWAY profile on multiple devices?**

Yes, any device that has the SWAY app downloaded can access the profile. As long as the same login information is used it will bring that specific profile up.
